All India 69<sup>th</sup> In NIRF Ranking 2018

A Postgraduate Institution of the Malankara Orthodox Church with facilities of Arts, Science and Commerce

Dr. Shyla Abraham  
Principal-In-Charge

## ACTION TAKEN REPORT 2021-22

On the basis of the feedback received from various stake holders, the IQAC has taken the following measures.

1. KYS Exam was conducted for first year UG students .The marks of which will serve as the basis for classifying the students into advanced, intermediate and slow learners. This categorisation will help to organise programmes catering to the diverse requirements of these students. The whole curriculum and extracurricular exercises will be based on this categorisation. The objective of the programmes will be to ensure mobility of the students to the upper strata of academic attainment.
2. Question Paper archive was created on the website for 24 hour access to students. Teachers are directed to make timely modifications to the question bank.
3. Counseling sessions were arranged for students to overcome the difficulties of online learning and emotional hardships associated with absence of peer presence.

Lt. Renish Joseph  
IQAC Co-ordinator

  
Principal

## ACTION TAKEN REPORT ON FEEDBACK -2021-22

## ACTION TAKEN REPORT ON FEEDBACK -2021-22

### DEPARTMENT OF FOOD SCIENCE AND QUALITY CONTROL

The IQAC of the college shared the consolidated feedback collected from parents and students for the year 2021-22. Given below are the measures taken to address the concerns.

#	Feedback	Action Taken
1.	Depth of curriculum offered for study	To improve the knowledge the students apart from the curriculum, the department provides seminar sessions.
2.	Appropriateness of curriculum in research aptitude	To enhance the interest on research, the department has provided a well-equipped laboratory with latest instrumentation facilities.
3.	Employability skill imparted by curriculum	<ul style="list-style-type: none"><li>• To develop entrepreneurial and management skill among the students, the department organizes a food fest in which the all coordination and food product development are carried out by the students under the thorough supervision of faculty in-charges.</li><li>• To familiarize with the latest technological advances in food industry, the students should undertake a one-month On-Job-training programme at the end of every even semester. One-month projects are also assigned to them at the end of curriculum.</li><li>• To familiarize the students with the laboratory practices and processing of dairy products, department arranged Dairy training programme at Dairy training centre.</li></ul>
4	To improve the sufficiency of Syllabus in bringing the gap between global scenario and academics	To make the students to aware about the current global scenario, the department coordinated seminar sessions and discussions on recent and relevant topics by trained professionals.

  
TEENA THOMAS

## ACTION TAKEN REPORT ON FEEDBACK -2021-22

### DEPARTMENT OF ECONOMICS

The IQAC of the college shared the consolidated feedback collected from parents and students for the year 2021-22. Given below are the measures taken to address the concerns.

#	Feedback	Action Taken
1	Make more Reference materials available at college library	New text books are added to College library as well as department level reading sections regularly subject to fund availability. More online resources will be made available to students to enrich their learning process.
2	Smart class is needed	Online classes during Covid pandemic necessitated a smart classroom in the college. The department teachers made use of the smart class facility to teach students, especially courses like Quantitative techniques, Econometrics etc.
3	Syllabus should be relevant to changing situation	As an affiliated college, the college has no freedom to revise its syllabus. However the department always organizes programmes to familiarise the students with the modern developments of the discipline through seminars , lectures ,webinars etc
4	Orientation class are more needed	College level orientation programmes are arranged for first year UG & PG students. Besides the department is organising annual orientation for all first year graduates to familiarise them with the facets of higher education.
5	More seminar sessions	Students are given more seminar sessions to improve their communication skills and presentation skills. Budget analysis and PPT presentations by students are also planned by the department.
