## OBC MONITORING CELL- ANNUAL REPORT 2019-2020

The OBC Monitoring Cell at KuriakoseGregorios College played a pivotal role during the academic year 2019-2020 in ensuring inclusive practices and support for students from Other Backward Classes (OBC). Dedicated efforts were made to assist OBC students during the admission procedure, providing necessary guidance and information. The cell actively encouraged eligible students to apply for scholarships and financial aid programs, fostering an environment conducive to academic success. Additionally, the OBC Monitoring Cell maintained comprehensive data on OBC students, enabling the recognition of specific needs and tailoring support accordingly. The cell helped in data collection for the AISHE portal. Remarkably, the cell is pleased to report that no complaints were received, underscoring the effectiveness of its initiatives in promoting a harmonious and supportive atmosphere for OBC students within the college community. The year 2019-2020 witnessed a commitment to equity, diversity, and inclusiveness at Kuriakose Gregorios College.

## OBC MONITORING CELL- ANNUAL REPORT 2020-2021

The OBC Monitoring Cell at KuriakoseGregorios College played a crucial role during the academic year 2020-2021, adapting to the unique challenges posed by the COVID-19 pandemic. As the admission procedure shifted online, the cell actively assisted students from Other Backward Classes (OBC) to navigate the virtual process, providing guidance and support. Emphasizing financial aid opportunities, the cell encouraged OBC students to apply for scholarships, ensuring continued access to educational resources. Comprehensive data on OBC students were maintained to identify specific needs, and the cell actively participated in the AISHE data collection process. In a proactive effort to facilitate higher education opportunities, the cell displayed admission posters from various institutes on the notice board. This initiative aimed to assist OBC students in exploring diverse educational pathways. Notably, the OBC Monitoring Cell is pleased to report that no complaints were received during this period, underscoring the success of its initiatives in fostering an inclusive and supportive academic environment at Kuriakose Gregorios College.

## OBC MONITORING CELL- ANNUAL REPORT 2021-2022

The OBC Monitoring Cell at KuriakoseGregorios College remained committed to fostering inclusivity and support for students from Other Backward Classes (OBC) during the academic year 2021-2022. As part of our initiatives, OBC students were provided assistance during the admission procedure, ensuring a smooth transition in an ever-changing educational landscape. The cell actively raised awareness about available scholarships, encouraging OBC students to apply for financial aid opportunities. A meticulous database on OBC students was maintained, aiding in recognizing specific needs and tailoring support accordingly. The cell continued its valuable contribution to the AISHE data collection process, contributing to a comprehensive understanding of higher education demographics. To facilitate informed choices, various admission posters from different higher education institutes were prominently displayed on notice boards, supporting OBC students in exploring diverse educational avenues. Moreover, OBC students were urged to utilize the mentoring and career counseling facilities available at the college. Notably, the OBC Monitoring Cell is pleased to report that no complaints were received, affirming the success of its efforts in promoting an inclusive and supportive academic environment at Kuriakose Gregorios College.

## OBC MONITORING CELL- ANNUAL REPORT 2022-2023

The OBC Monitoring Cell at KuriakoseGregorios College continued its steadfast commitment to inclusivity and support for students from Other Backward Classes (OBC) during the academic year 2022-2023. Amidst the evolving educational landscape, the cell proactively assisted OBC students during the admission procedure, ensuring a seamless transition. To empower students economically, awareness campaigns on available scholarships were conducted, encouraging OBC students to explore financial aid opportunities. The meticulous maintenance of a database on OBC students enabled the recognition of specific needs, allowing tailored support for individual requirements. The cell actively contributed to the AISHE data collection process, aiding in the comprehensive understanding of higher education demographics. Furthering our commitment to informed choices, various admission posters from diverse higher education institutes were prominently displayed on notice boards, facilitating OBC students in exploring diverse educational avenues. In addition, OBC students were urged to capitalize on mentoring and career counseling facilities available at the college. Importantly, the OBC Monitoring Cell is pleased to report that no complaints were received, affirming the success of its efforts in fostering an inclusive and supportive academic environment at Kuriakose Gregorios College.
