In its inaugural year, the establishment of the Persons with Disabilities (PD) Cell at Kuriakose Gregorios College, Pampady, aligns with the directives set forth by the Government of Kerala and MG University, Kottayam. Committed to creating an inclusive educational landscape, the PD Cell commenced its endeavors by implementing a meticulous data collection process using Google Forms. This initiative aimed to gather essential information on differently-abled students, forming the groundwork for tailored support and accommodations to meet their unique needs.
