KURIAKOSE GREGORIOS COLLEGE ★ PAMPADY - 686 502 ★

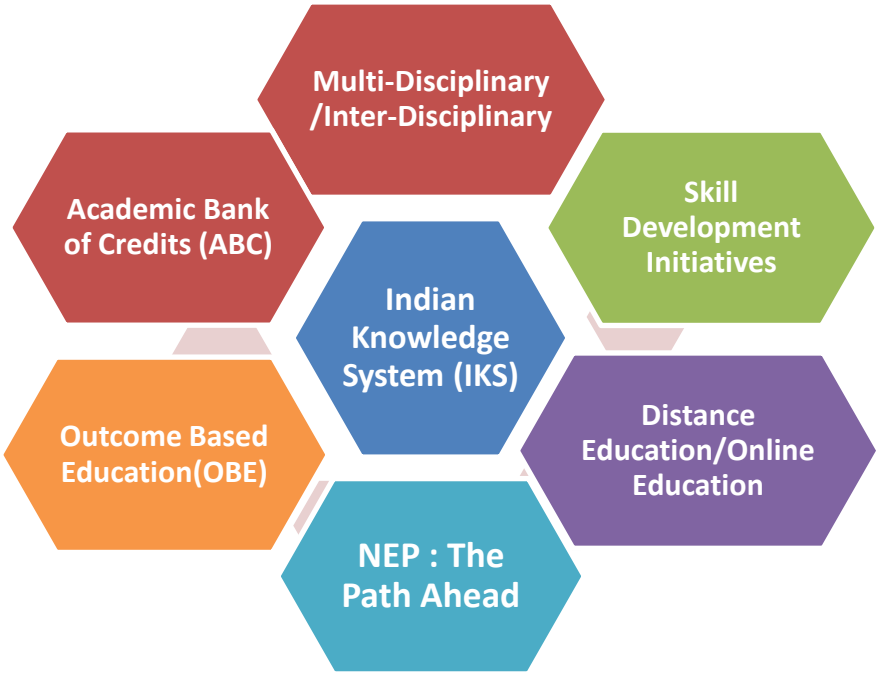
INTRODUCTION

NEP tries to revitalise India's profound tradition of comprehensive and interdisciplinary learning, evident from esteemed ancient institutions like Takshashila and Nalanda. NEP encompasses not only conventional disciplines like singing and painting but also scientific fields such as chemistry and mathematics, vocational crafts like carpentry and clothes-making, professional realms like medicine and engineering, and even soft skills like communication and debate. This holistic perspective advocates for a well-rounded education, crucial for meeting the demands of 21st-century India. This ideology is integrated into KG College's ethos which has been made instrumental through various programmes that were hosted as a part of this integration.



MULTI-DISCIPLINARY/INTER-DISCIPLINARY FOCUS

The necessary open courses given in the fifth semester for all UG programmes are entirely multidisciplinary, with students selecting a course offered by another department as a subject of study. The various **add-on courses and open courses** provided at the institution are also multidisciplinary, as the student's interests are the sole foundation of selection. KG College is well poised to offer multidisciplinary programmes as more academic flexibility is gained through NEP adoption. To achieve the goal of being comprehensive, the institution prioritises multidisciplinary and interdisciplinary **seminars and workshops**. The Yoga Centre's own created Certificate course on Basic **Yoga** for all students is well linked with the changing times in which the fundamental concept of education is being redefined.

Open Courses		
No.	**Course**	**Department**
1	Chemistry in Everyday Life	Chemistry
2	Fundamentals of Accounting	Commerce
3	Fundamentals of Economics	Economics
4	Introducing Environmental History	Economics/History
5	Rights and Human Rights in India	Economics/Political Science

6	Ardent Steps to Higher Education
7	Introduction to First Aid & Safety
8	Basics of Social Science Research
9	Entrepreneurship and Innovation
10	Fruits & Vegetable Preservation
11	Literary Analysis and Academic Composition
12	English Grammar& Writing

INDIAN KNOWLEDGE SYSTEM (IKS)

KG College has undertaken remarkable initiatives to promote IKS aligning with the principles outlined in the National Education Policy (NEP). The college's academic community is making a concerted effort to conserve and promote Yoga, which is a vital part of the traditional Indian system of knowledge. Demonstration classes and regular yoga practices are followed in campus. A **yoga centre** exists in the college and Yoga is also available as a certificate course for all UG students at the college. Students are also encouraged to attend yoga appreciation programme conducted by Yoga Certification Board (Ministry of Ayush, Government of India).

Additionally, under the IKS banner, the Madathilasaan Centre for Human Empowerment organised several programmes. To illustrate, the college orchestrated a mesmerizing **Kathak Performance** by Dr. Anjali Mishra, a renowned Kathak dancer. This performance not only celebrated the rich heritage of Kathak as a dance form but also aimed to inspire students by demonstrating how Kathak serves as a captivating form of artistic expression. A programme named "Bards of Bharat" was conducted, which featured **patriotic poems** composed in various Indian languages. This initiative not only promoted linguistic diversity but also instilled a sense of national pride among the listeners.

By organizing these events, KG College actively integrates cultural celebrations with educational values, echoing the NEP's **holistic perspective** on arts. The college has various collaborations such as **the Memorandum of Understanding (MOU) with the Department of Hindi at Pune College** which underscores its commitment to collaboration and promoting Indian languages. These collaborative efforts emphasize linguistic diversity, aligning with the NEP's goal of preserving and **promoting Indian languages**, thus fostering a sense of inclusivity and cultural richness. These endeavors were meticulously crafted to not only showcase India's cultural diversity but also to underline the significance of **arts and languages** in fostering effective communication, in line with the broader NEP objectives. These efforts signify the college's commitment to infusing the NEP's ideologies into the academic and sociocultural fabric of its campus life.

ACADEMIC BANK OF CREDITS (ABC)

As an affiliated college of Mahatma Gandhi University Kottayam, the institution does not currently qualify for ABC registration. The college is prepared to follow ABC and register students in the National Academic Depository as and when University/Government decides to implement NEP. Students were informed about ABC and urged to register in the National Academic Depository. The bulk of the institution's students already use Digi Locker's services.

SKILL DEVELOPMENT ACTIVITIES

At KG College, the emphasis on Entrepreneurship and Skill Development goes beyond theoretical teachings. The initiatives such as **Meet the Entrepreneur** and **Research and Innovation** classes exemplify the commitment to *practical learning* and *skill development*. Moreover, the college's engagement with programmes like **coconut leaf craft and weaving**, and **watercolor painting** showcase a proactive approach towards skill development, enabling students to explore traditional crafts and artistic pursuits. Additionally, the college facilitated interactions with various entrepreneurs and industrialists, offering students exposure to real-world scenarios and practical insights into entrepreneurial endeavors. These initiatives provide a platform for students to look into research-oriented topics, fostering a culture of innovation and inquiry, thereby contributing to the promotion of research and innovation as advocated by the NEP.

DISTANCE EDUCATION/ONLINE EDUCATION

KG College has always been open and flexible in encouraging the teachers to adopt **ICT in classroom teaching** and **modern pedagogical techniques** for enhancing the teaching-learning experience. During the pandemic, **distance education** and **internet education** were common modalities of instruction. Digital platforms including **Google Classroom, Zoom, Google Meet**, and **Webex** were used to handle all academic transactions, including *class, test papers, assignments, and seminar submissions*. In addition, various **webinars, invited lectures**, and **competitions** were organized throughout those days. Students are using digital platforms to share notes, study materials, and PowerPoint presentations. These platforms were also used to host Faculty Development Programs, webinars, and invited lectures. **MOODLE** is the Learning Management System used for facilitating the online teaching and learning process. Many faculty members attended **ARPIT courses** as part of their professional development. The first-year undergraduate students are encouraged to do a **MOOC course** in Organic Farming and also to take up online certificate courses offered by **SWAYAM-NPTEL**. To promote online learning, we have also formed a **local chapter of SWAYAM** at our college.

KURIAKOSE GREGORIOS COLLEGE PAMPADY
KURIAKOSE GREGORIOS COLLEGE, PAMPADY, PAMPADY P. O., KOTTAYAM - 686502

Dear Sir/Madam,

Sub: Establishing SWAYAM NPTEL Local Chapter in your college

Greetings from the NPTEL office.

This is to acknowledge the receipt of your letter accepting to host SWAYAM NPTEL Local Chapter in your institution.

The **Single Point of Contact (SPOC)** nominated from your college is

Name of SPOC: FEBA ACHU ANDREWS
Designation: ASSISTANT PROFESSOR
Department:ZOOLOGY
Contact No(s):8129046896
E-mail id: febaswayam23@gmail.com

We wish to inform you that all future correspondence related to NPTEL contents and online courses will be made to the afore-mentioned SPOC. He/she will be routinely updated with all the latest NPTEL initiatives which then may be circulated among the students.

We are also happy to share that a dedicated SWAYAM NPTEL Local Chapter web page is being created and your institution will have a separate page on it (http://archive.nptel.ac.in/LocalChapter

Thanking you.

Sincerely

NEP: THE PATH AHEAD

- KG College aspires to establish a collegiate environment that values diversity and empowers students through a robust array of undergraduate and graduate programmes. Our focus goes beyond academic excellence and attempts to emphasize a deep sense of community engagement and belonging.
- Expand the number of Value-Added Courses on India Knowledge System (IKS).
- Upturn the number of Skill Development Courses.
- Uphold fairness and inclusivity by outlining transparent guidelines for increased public funding, ensuring that KG College, regardless of its rural background, has an equal opportunity to thrive within accredited standards.
- Increase collaborations with other institutions particularly international institutions to enrich the learning opportunities.
- Intend to enroll in ABC (Academic Bank of Credit).
- Aims to establish a partnership with NSDC.
- Adopt Four Year Degree Course (FYDC) System
- Expand Open Distance Learning (ODL) and online programmes upon accreditation, enhancing accessibility, boosting Gross Enrollment Ratio (GER), and fostering lifelong learning opportunities.
- Foster an integrated higher education system integrating professional and vocational education for a holistic learning experience.
- Transform undergraduate education by amalgamating humanities and arts with STEM disciplines, enhancing critical thinking, creativity, problem-solving skills, and social consciousness.
- Adopt a holistic and multidisciplinary approach to education, nurturing intellectual, aesthetic, social, physical, emotional, and moral dimensions while emphasizing specialized knowledge.
- Embed universal human values, life skills, and Global Citizenship Education (GCED) into the curriculum to nurture responsible and globally aware individuals.

KURIAKOSE GREGORIOS COLLEGE ★ PAMPADY - 686 502 ★

- Expand financial aid and scholarships for socio-economically disadvantaged students.
- Conduct outreach programmes to promote higher education opportunities and scholarships.
- Ensure inclusivity in the admissions processes with an inclusive curriculum.
- Enhance the employability potential of the programmes offered by the institution.

CONCLUSION

The successful implementation of the National Education Policy (NEP) is marked by a comprehensive approach. From introducing Gregorian measures and fostering an interdisciplinary focus to promoting the Indian knowledge system, the journey encompasses diverse aspects. The engagement of students in the Yoga Appreciation programme, skill development initiatives, and ED Club activities reflects a commitment to holistic education. The active participation in the Institution Innovation Council, emphasis on Outcome-Based Education (OBE), and initiatives for health education and awareness showcase a forward-looking educational model. Furthermore, the integration of physical fitness, wellness programmes, and initiatives in science, research, and collaboration contribute to a well-rounded educational experience. The establishment of a dedicated Yoga Centre and recognition of SWAYAM course completers further highlight the comprehensive and transformative nature of the NEP implementation**.** In addition, looking ahead, the institution is committed to further enhancing and refining the implementation of the National Education Policy (NEP) in the coming years.
