PROJECT –LURE (Library Usage and Reading Enhancement)

A library is not only a building with bunch of books and several types of materials; it also plays a vital role in supporting the educational and research activities of society, promoting culture, disseminating information, and building up a value system for every individual.

LURE stands for Library Usage and Reading Enhancement. These are some best practices that are to be adopted in library for the upcoming year which is fully user centered and outcome based. The whole syllabus of the project is divided into 4 focus areas

Maximise library Experience

Explore the resources and services offered by the library.

✔Library Orientation

Library orientation programme for the new entrants in the beginning of the academic year to make them more familiar with the library resources, rules and services.

✔Library Website

To navigate and provide information to patrons and public about the library and its various content offerings, policies, objectives, initiatives and procedures.

✔Library Brochure

Promotional document to introduce and propagate about the library.

✔Introduction to library services

Assist students to use library e-resources especially NLIST, WEBOPAC

Lexical Enrichment
