KURIAKOSE GREGORIOS COLLEGE, PAMPADY

ANNUAL REPORT OF THE ACADEMIC YEAR 2018-2019

1. ABOUT THE INSTITUTION

Kuriakose Gregorios College, Pampady, situated on the lush green *Kilimalakunnu*, hardly a kilometre South-West of Alampally Junction, is a unique temple of higher learning in many respects.

An institution that strives towards excellence with indefatigable zeal, K.G. College had its beginnings, way back in 1981 in the ITC buildings at Pothenpuram, close to the sacred tomb of Pampady Thirumeni in whose hallowed name the college was established. On 14th September 1981, the foundation stone of the new college building was laid and within a year, the college was shifted to the new premises. The three decades that followed witnessed the success saga of the college. Today, K.G. College has acquired fame and name as one of the best colleges under the Mahatma Gandhi University with B++ Grade in NAAC Re-accreditation.

Our Vision

B. Workshops, Seminars and Lectures

Antoine Lavoisier Lecture Series

The lecture series, launched in 2017 under the title 'Antoine Lavoisier Lecture Series' in honour of the Silver Jubilee festivities, continued this year with two lectures. The first lecture of the year and the third of the series was conducted on the topic *A Small Dip in the Vast Ocean of Organic Chemistry* on September 5, 2018. Dr. Rony Rajan Paul, Assistant Professor, CMS College, Kottayam, handled the session. It was an engaging lecture that explored the chemistry of nature as well as human emotions. Rather than giving a lecture, he

used his experiences to illustrate the necessity of organic chemistry in the new period. The Principal, Dr. Sherly Kurian, presented a gesture of gratitude to the chief visitor.

The fourth session in the lecture series was presented on January 7, 2019, with the theme *How to Make Your Life a Success* to inspire students to take up their professional goals. Prof. Dr. P. C. Varghese, former head of the Department of Chemistry at K. G. College, presided over the meeting. Aside from subject-related subjects, the seminar helped pupils become more conscious of their future prospects.

Prof.C.I.Ittoop Memorial Lecture

The fourth edition of Prof. C.I. Ittoop Memorial Lecture Series was organized by the Department of Economics on November 1, 2018. Prof. Sebastian K. S (Asst. Professor, Department of Commerce, S.B.College, Changanacherry) delivered the talk on *Choice Architecture – Tool for Improving Decisions*.
