## 1. Quality

Our college has a well-designed quality policy. It serves as a guide for all of the activities of our college. We are committed to impart quality education to the students, enabling them to develop the right attitude, professional and academic competence and inculcation of ethical values. Being a minority institution, the management has a decisive role in design and implementation of quality policy and plans. The educational agency and the manager ensure well-functioning of the college.

1.1 Our quality policy is enshrined in our mission and vision statements. It is embodied in every activity and plan undertaken by the institution. The college has provisions for continuous monitoring and evaluation of the quality of these programmes.

1.2 The IQAC of the college also plays an important role in sustaining the quality of enrichment programmes. IQAC discuss in detail about the policy changes required or the need for new policies considering the suggestions of all stakeholders

1.3 Feedback from students, teachers, employers, parents and alumni serve as a valuable source for evaluating the quality of programmes. Such feedback is discussed at the IQAC meetings and measures for improvement or rectification are taken.

## 2. Infrastructure & Physical Facilities

The College has a policy for creation and enhancement of infrastructure ensuring a good teaching-learning environment. The management and college authorities ensure that the college has adequate and effective infrastructure for effective learning, teaching, research, arts, sports, games and other extracurricular activities.

2.1 The infrastructure of the college, including labs and is used by the faculty and students in their research and academic exercises. This ensures optimum utilization of the resources for the nation building effort.

2.2 The college provides venue for conducting examinations such as recruitment drives of banks, UPSC and PSC examinations etc.

2.3 The auditorium and premises have been used as a venue for the University exams.

2.4 The services of electricians, mechanics, plumber and gardener are available in the college to ensure proper maintenance of the instruments, equipment and premises of the college.

2.5 Electrically sensitive equipments are provided with necessary back up to ensure steady functioning and to safeguard against voltage fluctuations.

2.6 The Advanced and Expensive Equipments are maintained by Annual Maintenance Contract (AMC).

2.7 Maintenance funds obtained from State/Central Governments and the UGC and the college management are utilized for the maintenance and upkeep of infrastructure and supporting facilities.

2.8 The College is pleased to share its infrastructure facility for the local community where the college is situated.

### **3. Administration**

The administrative policies aim at enhancing operational efficiencies, best practices, effective decision-making and compliance with laws and regulations. In an institution like our administration and academics cannot operate as separate water tight compartments. Hence there is a sound framework for assuring quality assurance in administration along with academics

3.1 Complete transparency is ensured

3.2 Policy of decentralization is strictly adhered in effecting high quality administration.

3.3 Pro- student administrative mechanism is implemented

3.4 Inclusive approach is elegantly followed in all administrative matters.

### **4. Finance Management & Resource Mobilization**

The College has an institutional mechanism for effective and efficient deployment of financial resources. The management of the institution has its own mechanism to monitor the allocation and utilization of funds sanctioned by various funding agencies.

4.1 The management has appointed a local governing board to monitor the financial affairs of the institution.

4.2 The involvement of Alumni Association and PTA are ensured while implementing various developmental programmes in the campus.

4.3 The faculty members are encouraged to avail themselves of different research incentives/ funds/ aids by various agencies.

4.4 In order to ensure complete transparency in the utilization of financial resources major purchases and expenditures are made only after inviting requisite number of quotations.

## 5. Strategic plan

The College has a strategic plan for development. Our plan for development evolves out of the academic and administrative requirements of the college and the society it serves.

5.1 The plans for development are largely influenced by the requirements of the student community, university and perceived needs of the society at large.

5.2 The top management of the college consisting of the central governing body, Manager, Principal and the IQAC are very actively involved in ensure that the strategic plans are capable of achieving the mission of the institution.

## 6. Policy Reforms

College has a well-designed quality policy. In pursuance of this objective, college has established an 'Internal Quality Assurance Cell' which is entrusted with the design, implementation, evaluation, assessment and upgradation of quality policy.

6.1 The founding fathers of the institution have designed some long run policies regarding the conduct of the institution and delivery of its services to the community. Since an educational institution is passing through different issues, new policies are to be designed. The views of the students, their parents and alumni are given due care.

6.2 The IQAC of the college discusses in detail about the policy changes required or the need for new policies considering the suggestions of all stakeholders. The decision regarding this is forwarded to the staff council which in turn will discuss the issue seriously and make suggestions to the governing council which is top authority to decide upon policy matters.

6.3 When there are some new issues or some of the policies are found to be ineffective new policies are framed.

6.4 Principal is required to make presentation about the performance of the college, which provides periodical review of policies.

## 7. E- governance

KG College's governance framework intertwines participative management and decentralized systems, harmonizing with cutting-edge technology to cultivate a dynamic educational and professional milieu. This strategy strives to instil responsibility, potency, exactness, and openness E-governance is implemented at various levels in order to provide simpler and efficient system of governance within the institution. The objectives are

Transparency: Ensure openness and accessibility in all processes and information within the governance system, fostering trust and clarity among stakeholders.

**Engagement:** Promote active participation and involvement of all stakeholders, encouraging collaboration and input in the decision-making process within the e-governance framework.

**Accuracy:** Strive for precision and correctness in data, processes, and outcomes, ensuring reliable and trustworthy information within the e-governance initiatives.

**Mobilization:** Encourage the active engagement and readiness of stakeholders, fostering a cohesive and proactive approach to achieve e-governance objectives.

7.1 The website of the college is functioning full-fledged. Admission process is made hassle-free with the help of the college website. The students can download application from the website.

7.2 The accounts of the college are maintained with help of the accounting software Tally. The system administrator is appointed to handle the technical issues related to digitalized operations of the college.

7.3 The Library is computerized. Students can search the books in the computers in the lobby. E-learning facilities like N-List, e-journals and periodicals are made available in the library.

## **8. Education & Curriculum**

Being an affiliated college, we follow the curriculum designed by Mahatma Gandhi University. Following the introduction of CBCS and curriculum reforms by MG University, the institution has taken appropriate measures for the benefit of the stakeholders. The institution is very particular in offering skill oriented programmes and value added courses that add colour to the lives of the stakeholders and transform them into worthy citizens.

8.1 The College has organized workshops and seminars to familiarize with reforms initiated by the University. Curriculum enrichment programmes like, invited talks, workshops, seminars and panel discussions are the organized frequently by the college.

8.2 Members of the teaching staff prepares teaching plans for each course he/she is dealing and submit it to the head of the department. They are encouraged at the outset to impart the curriculum through innovative teaching methods such as presentations, assignments, discussions, workshops, seminars, industrial visits, and computer education apart from regular traditional teaching methods like chalk and talk.

8.3 Since the college is highly student centric teaching and learning, feedbacks from the students are collected to understand opinion of the students regarding the curriculum, teaching and development.

8.4 Students of all the departments are given the freedom to invite experts from industry, government, academics and non- government organizations to speak about recent developments as a part of department level association. Thus, curriculum enrichment happens according to the requirements of students.

## 9. Internal Evaluation

In addition to regular test papers, the college conducts two series of internal examinations in each semester. The following rules are applicable:

9.1 Exemption from attendance at examinations and test papers are granted only by the Principal.

9.2 Request for such exemption must be made in person at least two days before the commencement of the examination and shall be forwarded through the teacher concerned / the class teacher.

9.3 In case of illness, the Principal may insist on the production of a Medical Certificate from a duly qualified doctor or arrange the applicant to be examined by a competent medical officer. The expenses of such examination will have to be borne by the applicant himself.

9.4 Absence from examination and test papers without leave will render the students concerned liable to serious punishment.

9.5 Re-examination is not offered as a matter of course. But when a re-examination is offered, absence from such re-examination, for any reason whatsoever will be regarded as equivalent to failure. A suitable fee may be collected from students for whom re-examination is offered.

9.6 Malpractice of any sort in test papers and examinations will render students liable to severe punishment which may amount to suspension / expulsion from the college.

9.7 Defaulters of payment of fees are not exempted from examination and test papers.

9.8 Both the UG and PG programmes envisage a mandatory continuous evaluation of students by the teachers. The University has laid down certain norms by which the teachers can assess the students internally and award marks. Students' attendance, their score in the frequently conducted test papers, their performance in assignments/seminars,practicaletc count together to one's internal assessment score. Those who fail to score the prescribed minimum for internal evaluation at degree level shall do those papers next year and shall not be considered successful until he has cleared his internals.

9.9 Students who absent themselves from the test papers/examinations shall lose the proportionate marks for internal assessment.

## 10. Mentoring

Mentoring includes listening, encouraging, sharing the experience, giving help, advice and guidance to students and pointing them to other sources of support or referral. The whole student community is divided into different mentee groups and they are assigned to the faculty.

10.1 The mentors have to act on behalf of the college to support learners who are enrolled on a course of study

10.2 The mentor will act within an agreed range of confidentiality and will ensure that they have the best interests of the young learner in mind at all times.

10.3 The mentors should be good communicators, excellent and active listeners. They should have sympathetic approach to sensitive issues and should be able to maintain confidentiality. They should have regular meetings with their mentees and keep records.

10.4 The college is responsible for providing training, advice and on-going guidance to the mentors.

## 11. Student Participation & Activities

The institution encourages students to participate in competitions at International, National, State, University and College levels. The college has got a pretty good legacy in nurturing the artistic talents of students for which several initiatives are undertaken under the umbrella of *K G College Arts Club*.

11.1 Achievements of the College teams and the conduct of intercollegiate tournaments by the Department of Physical Education brought laurels to the college in the field of sports and games.

11.2 The Department of Physical Education provides special coaching in the evenings to interested and talented students in football, handball, badminton, tennis etc. They are also motivated to take part in outdoor and indoor games. Our teams participate in the University championship regularly.

11.3 A sports Meet is conducted for the student community of the college with the active support of the Faculties and Administrative staff.

11.4 Commendable performance and outstanding achievements of our students are appreciated and they are honored on the College Merit Day.

11.5 The different clubs functioning in the college strive to discover the inherent talents of the students and organize various programmes to nurture the same.

11.6 Participation in the NCC and NSS helped the students to achieve laurels at various levels.

## 12. Extension Activities

The College organizes its extension programmes with the aim to offer its facilities, expertise and experience to the community.

12.1 For the effective conduct of extension and outreach programmes the principal with the active involvement of college council and IQAC entrust the faculty with different clubs and cells at the beginning of each academic year.

12.2 All the extension activities organized by the College through NSS, NCC and departments are designed to contribute to the holistic development of students and for the upliftment of the community to bring about social change.

12.3 All the departments undertake extension programmes either independently or jointly with other disciplines or in collaboration with government or non- government organizations.

12.4 The faculty in charge of clubs and cells are given complete freedom to plan and implement extension and outreach programmes. The teachers in charge of the outreach programmes consult with social workers, social activists and leaders of the local bodies to identify demand for services offered by the institution.

12.5 The various outreach and extension activities provide hands-on experience in specific areas to the students of the college. It provides ample opportunities for students to display their talents and to utilize their knowledge and skills for the development of the society.

### **13. Study Tour**

Study tours including Industrial visits conducted by the college are part of the academic programme. The College has adopted the following procedures to guide faculty and students in organizing study tour programs to enhance the experiential learning of students.

13.1 The study tour must be conducted in accordance with government rules and policies.

13.2 The purposes and specific educational objectives of the study tours should be carefully developed.

13.3 The study tour should have adequate faculty staff supervision, both in terms of students/staff ratio and in terms of staff expertise to deal with contingencies.

13.4 All the arrangements of the tour (such as transportation, accommodation, food, and finances) and other support services should be well planned and managed effectively

### **14. Anti-Ragging**

In tune with the UGC regulations of 2009 regarding ragging, the college maintains the policy of keeping the campus ragging free.

14.1 Ragging / teasing / intimidating/ harassing / using words of abuse etc on junior students especially female students is a punishable crime under Police Act. Such matters will be

immediately reported to the police as such acts are considered criminal offences; students involved in such acts will be given adequate punishment, which includes expulsion.

14.2 As per the directions from the Hon'ble Supreme Court of India and relevant instructions from the university & UGC authorities, an anti-ragging committee and a squad is working in this college.

19.4 The faculties with leadership traits are given the opportunity to head committees and projects. The Institution has full-fledged NCC and NSS units. The Institution encourages the Programme

Officers of NSS and NCC to undergo orientation training with leave-on-duty sanctioned by the college.

19.5 The College provides infrastructural facilities for independent learning through the well-stocked central library.

19.6 The Institution provides the opportunity for staff members to participate in exchange programmes that help them to manage their work-life balance. The teachers are given the opportunity to interact with government officials, NGO representatives, and professionals from other fields.

19.7 The institution covers 75% of the expenses (registration fees, travel allowance, and accommodation) or Rs. 6,000, whichever is less, of the teachers attending faculty development courses, seminars, and workshops.

## 20. Research

Research and related activities constitute the pivot of the academic policy of the institution and the research policy should provide a guideline for the conduct and publication of the research work.

20.1 The research facilitation committee is constituted to sustain the research tempo of the institution consistently. Any difficulty regarding the research programme should be reported to the Principal through the committee.

20.2 The committee inspires the faculty to avail Faculty Development Program of the UGC and to acquire M Phil and PhD Degrees. The teachers are also encouraged to promote Research activities by undertaking research projects with financial assistance of UGC and other Central and State funding agencies.

20.3 Students are also motivated to take up collaborative and socially relevant projects at PG and UG level.

20.4. The Institution acknowledges the achievement of its faculty in different disciplines. The College should provide essential infrastructure support for the research work.

## 21. Performance Appraisal

Performance Appraisal is based on meticulously designed modules.

21.1 It is applicable to various sections of the college including the faculty, students and non-teaching staff.

21.2 The methodology is linked to the UGC and University guidelines.

21.3 In addition to the regulations of UGC the performance appraisal, the demands of the college's vision and mission are taken for consideration.

21.4 It is done periodically in a transparent manner.

21.5 Academic audit is conducted every year to assess the academic performance of the individual faculty and the whole department.

## **22.Human Values & Professional Ethics**

For providing a quality education to all students in the classroom teachers treat their students and with love, care, affection and commitment and inculcate good values among them without favoritism and discrimination.

22.1 The teachers are role models to the student by showing concern for students and motivating them.

22.2 Teachers respect the right and dignity of the students in expressing his/her opinion. Teachers recognize the difference in aptitude and capabilities among students and try to meet their individual needs and aspirations.

22.3. Human values are transmitted through value-based activities such as Blood Donor's Forum, *fast a day Feast a friend programme* etc. and clubs like NCC and NSS which helps the students to inculcate values of social commitment, generosity and sacrifice.

22.4 The College provides Divyaangan students equal opportunities for accessing all the facilities available in the campus.

## **23.Environment Sustainability & Waste Management**

The College has made many efforts to stabilize the upgradation of nature not only in the campus but the selected areas where its extension activities are going on.

23.1 We promote a plastic waste free campus through awareness.

23.2 Inspection and maintenance of electronic wires and appliances in time, helps to avoid power wastage.

23.3 The College is moving towards the concept of green architecture. Efforts are being made to make the campus plastic free. We preserve the existing trees and plant new saplings. The available land has been utilized to the fullest extent in a nature friendly way.

23.4 Students are made aware of the disposal of different categories of waste generated in the lab. They are given clear instructions to dispose the broken glass waste and chemical waste in the respective waste receptacles.

23.5 Vermicompost is maintained by the Department of Zoology. The biodegradable waste is converted into fertilizers.

23.6 An MoU is signed with a scrap unit to dispose off the paper and plastic wastes.

23.7 The green audit aims to analyze environmental practices within the campus, which will have an impact on the eco-friendly atmosphere.

23.8 The college has implemented the environment management system to improve environmental performance and ensure compliance with environmental legislations.

23.9 A well defined environmental policy is framed to provide an overview of the College's vision to minimize the environmental impacts of its activities and operation and sustainable management of the available resources.

#### **24. Divyangjan Policy**

Right of Persons with Disabilities Act, of 2016 prohibits discrimination against individuals with physical and mental disabilities. Our College is against all kinds of discrimination on any grounds including disability. The College shall provide special facilities for the divyangjan students and shall create an environment to provide them with opportunities to acquire quality education and to bring them into the mainstream of the society.

24.1 Our College intends to advance a comprehensive and inclusive teaching and learning environment in which incapacitated students and employees are not distraught or treated unfavorably.

24.2 A PD cell exists in the college to resolve the difficulties faced by Divyangjan students.

24.3 The Office staff shall be responsible for providing all the college services to the students with disability on a preferential basis without any queue.

24.4 A Wheelchair shall be made available on the College campus for needy students.

24.5 A separate toilet shall be provided with requisite facilities for the use of such students.

24.6 For students with disabilities who are unable to enter the main office, there is a support desk on the first floor.

## 25. Gender Equality and Inclusion Policy

At Kuriakose Gregorios College, we are committed to fostering a culture of equality, inclusivity, and respect for all individuals, irrespective of gender. Our Gender Equality and Inclusion Policy is designed to ensure a supportive and discrimination-free environment for everyone associated with our institution. By adhering to this Policy, we affirm our commitment to creating an environment where diversity is celebrated, and all individuals are empowered to reach their full potential, regardless of gender.

25.1 There shall not be any form of discrimination based on gender, including but not limited to recruitment, promotion, training, and any other aspect of employment or participation.

25.2 Kuriakose Gregorios College is dedicated to providing equal opportunities for all genders in every aspect of academic, professional, and extracurricular activities.

25.3 Every individual, regardless of gender, is entitled to express their opinions freely and fairly without fear of retribution. Open dialogue and diverse perspectives are encouraged and valued.

25.4 An accessible, active, unbiased, and confidential grievance redressal cell will be established to address any complaints related to gender-based discrimination or harassment. The institution is committed to prompt and fair resolution of such grievances.

25.5 The College is dedicated to implementing effective measures to ensure the safety and security of all genders within our premises. This includes but is not limited to the provision of well-lit and secure spaces, awareness campaigns, and the availability of support services.

## 26. Social Media Policy

The College is dedicated to utilizing innovation and all available technology to its fullest potential. This involves enhancing communication and involvement with the people and communities we serve by any acceptable and economical ways possible. The college urges faculties and students to use social media platforms as convenient spaces for improving and expediting interaction and dialogue. The policy endorses that the institution shall:

26.1 Constitute a cell to monitor Social media and to update College website

26.2 Ensure announcements of upcoming events and publishing of daily activities through college website.

26.3 Provide guidelines and orientation to students and staff regarding the use of social media platforms and college website.

26.4 Promote maximal engagement of staff and students in social media to improve and heighten the perception of the college.

## 27. Innovation Policy

KG College strives to systematically develop an innovative culture among its staff and students, realizing the potential role that academia can play in the field of innovation. The college guides its staff and students towards being capable of doing cutting-edge research and innovation as well as deep-tech entrepreneurship to develop into an organization capable of creating high-quality technical human resources. The college has created a quality policy in compliance with the National Innovation and Start-Up Policy's preamble to fix a framework for the Innovation Endeavours. The policy states that the institution shall:

27.1 To establish the Institution Innovation Council in collaboration with MHRD to advance a curriculum focused on entrepreneurship and start-ups for both instructors and students.

27.2 Encourage and support the Council in creating its own rules, policies, and tactics to make sure it moves forward at the right pace.

27.3 To arrange a wide range of innovation and entrepreneurship-related activities such as ideation, problem-solving, proof of concept development, design thinking, IPR, project handling and management at the pre-incubation and incubator stages, etc., with the participation of students and staff members, to help the college's innovation and entrepreneurship ecosystem become established and stable.

27.4 Highlight the advantages of a college education that is centered on entrepreneurship, giving students the self-assurance to transform their ideas into reality.

27.5 Encourage the holding of regular workshops, seminars, and webinars with interaction from professionals, investors, and entrepreneurs; also, establish a mentor pool for innovators who are students or faculty members.

27.6 Encourage staff and students to visit different labs, businesses, organisations, etc. to join in challenges and contests, contribute to the pool of information, and share their success stories.

## **28.IT Policy**

The College works to guarantee that IT resources, procedures, and practices are implemented and managed in a consistent, high-quality manner. A thorough structure of precisely defined policies, procedures, and standards are needed to enable and guarantee this. Regarding the use and security of its networks, computer systems, and information resources, the college upholds several policies.

28.1 To grant all staff and students access to the campus network.

28.2 Urge students to utilize the computer lab to its fullest potential.

28.3 Encourage every employee and student to set up an email address.

28.4 Encourage employees and students to utilize the Infilibnet resource to its fullest.

28.5 Provide enough computers in suitable spaces that are kept up to date by the computer maintenance service provider.

28.6 Install and update anti-virus and anti-malware programs regularly.

28.7 When it comes to taking action over the improper use of the provided IT facilities, the principal will have the last say.
